Winter 2016

## A Note from Susie...

Freedom Farm is celebrating our Sweet 16!

**'How sweet it is!'**

*Therapeutic Riding*

Our 16th year has started with a lot of love. The Annual Appeal boldly stated the amount needed was \$50,000. I am thrilled to let you know we have received \$30,000. That's a lot of love coming our way! Your donations impact many special individuals.

So much passion and care has been put into The Freedom Farm Schoolhouse renovation/addition project. Turn the page for an update. You will see the individuals and

businesses that love Freedom Farm so much they gave generously to make this happen.

Another sweet start to the New Year is sharing my love for horses with the participants in our 'Hope with Horses' and 'Healing with Horses' programs, as these programs continue all winter. Horses do change lives! I hope you all had a chance to watch our videos about these programs, if not, visit [www.freedomfarmmn.org](http://www.freedomfarmmn.org).

So many dreams are coming true with plans to make other dreams a reality. Dreams of a barn addition to provide a safer tacking area and a storage area for lesson equipment and the 4-wheeler.

Also, activity stations need to be built for our outdoor sensory trail. This collective environment will challenge Riders and stimulate their senses while on their horse.

*Healing with Horses (Veterans)*

I thank you for all your love. It is with God's blessings and your generosity of loving Freedom Farm with your time and financial support that makes celebrating our Sweet 16th very sweet.

With much love,

*Hope with Horses (At-Risk Teens)*

The 2015 Donor List will be sent by email, is available on the website and posted on the wall in the arena at Freedom Farm.

Freedom Farm enriches lives by partnering with the unique attributes of the horse to improve mobility, build confidence and encourage personal growth in children and adults with physical, mental and emotional challenges.

# FREEDOM FARM SCHOOLHOUSE

*Dreams do come true!* In front of all the guests at the Prelude Dinner, Rob Berg and Ryan Gilbertson completely surprised Susie. "Susie, we have been listening to you talk about your dream of the schoolhouse renovation for years. This year we are going to make sure it gets done!" True to their words, they are making sure it is getting done.

John Kraemer & Sons began work on the Schoolhouse this past October. Every day the staff arrives thrilled to see a foundation! 4 walls! A roof! And windows! The excitement builds as we gear up to move in. The programs offered at Freedom Farm will be expanding to touch MANY more lives.

Please go to the Freedom Farm Schoolhouse page on our website to get the full story and to keep up-to-date on this exciting project.

There are items still needed and more money to be raised to get the project completed. If you are interested in helping, Susie would love the opportunity to talk with you.
